# INVENTORY & ORDER — ALWAYS IN SYNC

Never run out. Never oversell. We keep your store running smoothly and your customers happy.

## Real-Time Inventory Tracking

We monitor your stock in real time across all platforms — always accurate, always live.

## Low Stock Alerts

Get notified before stock runs out — proactive alerts so you're never caught short.

## Order Management

We process & sync orders to ensure timely fulfillment and zero delays.

## Restock Planning

We help you plan & maintain the right stock levels for peak performance.

# PERFORMANCE ANALYTICS & STRATEGIC INSIGHTS

Decode your data. Act on insights. Fuel your success.

## Multi-Channel Performance Viz

Connect all your sales channels into one unified data visualization hub.

## Inventory Velocity Analytics

Utilize historical data to predict stock needs and prevent overstocking or stockouts.

## Customer Behavior Insights

Analyze purchase patterns and segment customers for more effective targeting.

## Strategic Decision Support

Access tools that compare internal metrics against industry benchmarks.

# ADS THAT ACTUALLY WORK

Advertising shouldn't be a guessing game.

## ✓ Sponsored Ads Management

Search, Display & Product Ads Amazon, Flipkart, Meesho & more.

## ✓ Keyword Research & Targeting

Precision targeting strategies to get you the best ROI on rupee on every rupee spent.

## ✓ Budget Optimization

Smart allocation and ongoing tuning for maximum results from your ad spend.

## ✓ Deals, Coupons & Seasonal Campaigns

Festival & seasonal campaign planning to boost visibility and drive sales spikes.

**Right Ads. Right Audience. Right Results.**
