EcomVanta

— Powering Brands. Scaling E-commerce —

Marketplace **Management**

Maximize your reach and sales across leading marketplaces with our end-to-end management services.

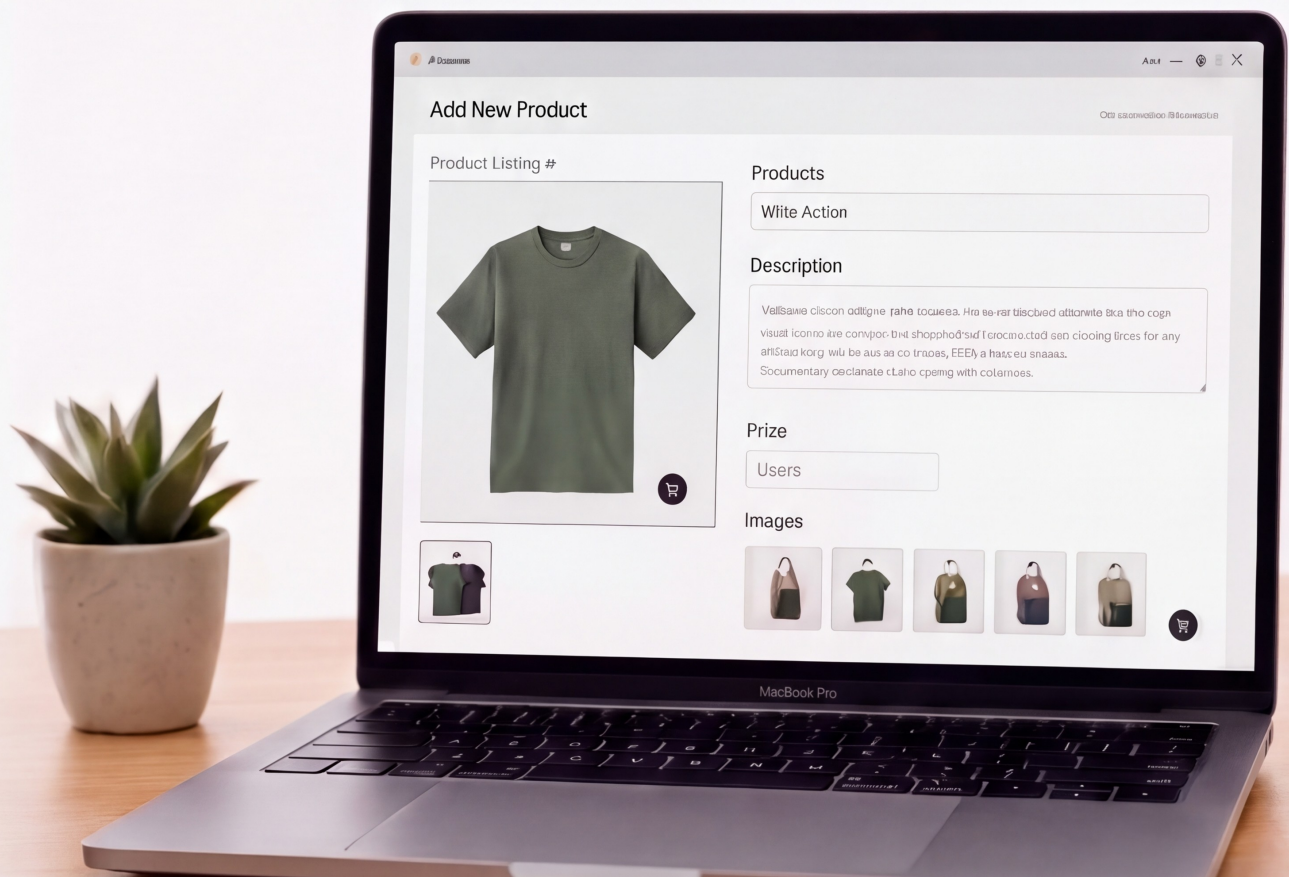

- ✓ Zepto, Blinkit, BigBasket, Amazon, Flipkart, Myntra & More
- ✓ Account Setup & Management
- ✓ Product Listing & Optimization
- ✓ Inventory & Order Management
- ✓ Performance & Growth Tracking

SMART PRODUCT LISTING & CATALOGING

Your product deserves to shine — and we make sure it does.

- ✓ **Optimized for Search & Sales**
SEO-rich titles, compelling descriptions.
- ✓ **Visuals That Grab Attention**
High-quality images, stunning A+ content.
- ✓ **A+ Content That Builds Trust**
Enhanced storytelling, rich media.
- ✓ **Category & Attribute Mapping**
Precise mapping, boost discoverability.

INVENTORY & ORDER — ALWAYS IN SYNC

Never run out. Never oversell. We keep your store running smoothly and your customers happy.

✓ **Real-Time Inventory Tracking:**

We monitor your stock in real time across marketplaces and quick-commerce dark stores — always accurate, always live.

✓ **Low Stock Alerts:** Get notified before stock runs out — proactive alerts so you're never caught short.

✓ **Order Management:** We process & sync orders across all platforms to ensure timely fulfillment and zero delays.

✓ **Restock Planning:** We help you plan & maintain the right stock levels, especially for fast-moving platforms like Blinkit and Zepto.

PERFORMANCE ANALYTICS & STRATEGIC INSIGHTS

Decode your data. Act on insights. Fuel your success.

Multi-Channel Performance Viz:

Connect all your sales channels — marketplaces, quick commerce, and your website — into one unified dashboard.

Inventory Velocity Analytics:

Utilize historical data to predict stock needs and prevent overstocking or stockouts.

Customer Behavior Insights:

Analyze purchase patterns and segment customers for more effective targeting.

Multi-Channel Performance Viz:

Connect all your sales channels — marketplaces, quick commerce, and your website — into one unified dashboard.

Strategic Decision Support:

Utilize historical data to predict stock needs and prevent overstocking or stockouts.

Digital Marketing

Data-driven marketing strategies to attract the right audience and grow your online business.

- ✓ Google Ads (PPC)
- ✓ Facebook & Instagram Ads
- ✓ SEO (Search Engine Optimization)
- ✓ Social Media Marketing
- ✓ Analytics & Performance Tracking

Store Setup & Development

We build fast, secure, and conversion-optimized e-commerce stores that reflect your brand and delight your customers.

✓ Shopify / WooCommerce / Next.js Setup

Custom e-commerce store setup on the platform that best fits your business — from Shopify & WooCommerce to fully custom Next.js builds.

✓ Custom Theme & Design

Unique, on-brand storefronts that stand out from generic templates.

✓ Mobile Responsive

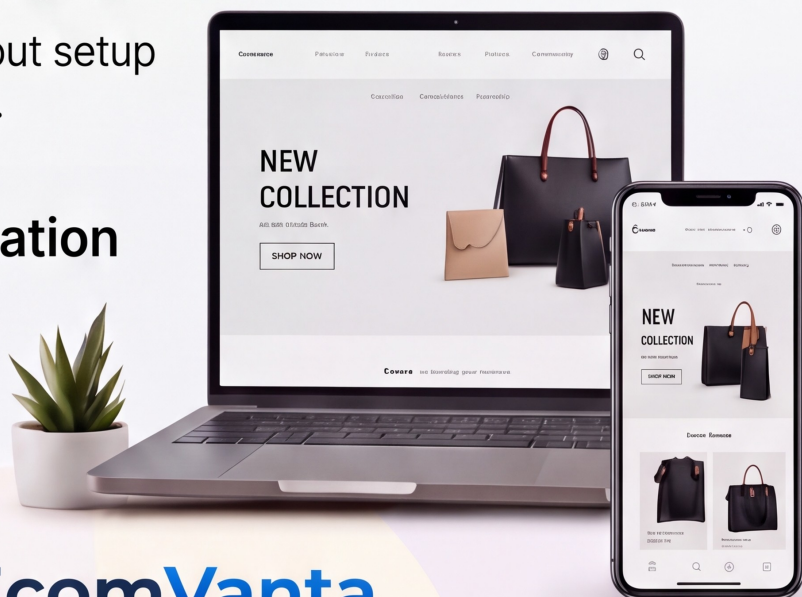

Seamless shopping experience across every device — mobile, tablet & desktop.

✓ Payment Gateway Integration

Secure, multi-option checkout setup (UPI, cards, wallets & more).

✓ Speed & SEO Optimization

Faster load times and search-friendly structure that improve rankings and reduce drop-offs.
